# Emergency Care Instruction Services

## Our Story

Since 1979, the ECIS team has been dedicated to the prevention of accidents and illness through advice and education.

Our goal is to provide our clients with the necessary knowledge, skills and training to adequately assess and perform in critical situations.

# Emergency Care Instruction Services

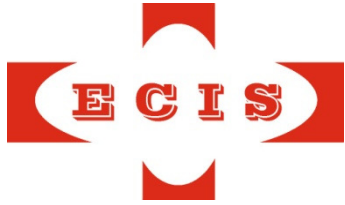

## Courses

- ❖ Standard Level First Aid & CPR (2 days)
- ❖ Emergency Level First Aid (1 day)

## Course Material

We provide comprehensive training materials for our participants. Our manual complies with the latest policy recommendations of the WSIB.

# Emergency Care Instruction Services

## Open Course Locations

- ❖ Kitchener
- ❖ St. Catherines
- ❖ Burlington
- ❖ Brantford
- ❖ Toronto
- ❖ Mississauga

Our qualified professionals also provide **on-site** training for larger groups.

# Emergency Care Instruction Services

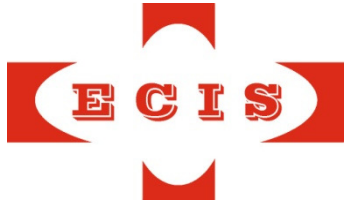

## Record Maintenance

We register all participants in our database and send an updated list of certified employees to our clients on an annual basis.

Our staff also remind our clients when their certificates are approaching expiration.

## What Our Clients Have to Say:

“As an employer, I enjoy working with ECIS. They are professional, organized and cost-effective. As an employee, I enjoy the delivery of the First Aid and CPR training.”

**Brenda Maggs, Manager of Corporate Administration**

**The City of Niagara Falls**

“We feel that the training provided by ECIS gives our employees the knowledge and confidence to take charge in emergency situations.

**Cherylene Blackie, RN Occupational Health Nurse**

**Strite Industries**
